WHO DONE IT?

**INTRODUCING
LIKELY SUSPECTS:
FACULTY AND
STAFF**

Eliza Morgan

Sister Camille Kliebhan

President — Cardinal Stritch College

When students arrived on campus this fall, they were greeted by colorful signs which read: "New Year, New Staff, New Style."

As we enter the new decade of the 80's, I would add the words, "New Spirit," . . . for with a new beginning and a new "mix" of persons comes fresh starts, new ideas, and renewed efforts.

Besides new students, there are new faces at Stritch — among them, the first male Dean of Students in the person of John Riggenbach, who is serving as moderator of the Yearbook Staff; and Patricia Hooper, our new Director of Residence. Together, they have assumed their responsibilities for student life with ease, and both have become familiar to us all in a short time.

The publication of the Chronicle 1980-81 is symbolic of our intent and purpose as the Stritch

College Community: the identification of this faculty, staff, and student body whose lives are intermingled in this place, at this point in time, to enable each other to grow in knowledge and wisdom, love and grace, and thus to accomplish God's plan in the world. None of this happens by accident. Through the eyes of faith, we acknowledge the Mystery that unites us in these circumstances.

May this volume with its pictures of study and sport, fun and laughter, be an enjoyable record of this year at Stritch, and provide many happy reminiscences in the future.

The 1980-81 Red Devils provided all of the excitement promised at the beginning of the season. Under a new head coach, Mr. David Markson, the Devils ran up a record of 23 wins against just 7 losses. Ranked as the number one team in the National Little College Athletic Association for many weeks, the Red Devils were the first college team in Wisconsin to win 20 games during the 1980-81 season. Special thanks must go to the team's seven seniors who made basketball for the last four years so exciting.

Commuter Association

This is the first year for the Commuter Association and they have accomplished much for the 1980-81 year. The Commuter Association wants to be an independent organization, and so far has succeeded. One of our accomplishments has been Food tickets available to commuters for lunch which can be purchased from the business office. Future goals are: to expand the Food ticket program to include the evening meal for those students with night classes, construct a bus shelter, and Raffles to raise funds. Other goals are to establish annual events and a scholarship fund.

Mr. John Riggenbach organized and began the Commuter Association and got the commuters involved. Last year's officers were: Co-Presidents, Leo Smith and Jim McAlindon, Vice President, Chris Manger, Secretary, Dana Smith, and Treasurer, Michelle Frymark.

In order for the Commuter Association to survive, other Commuters should attend the meetings and give new ideas so the Association can grow. Every commuter is invited to the meetings which are held every Tuesday at noon. The Commuter Association needs to grow and become independent by the help of other commuters.

S.C.E.C.

The Student Council for Exceptional Children started off the 1980-81 year with all new officers. Steve Menzia as President, Jane Dettloff as Vice President, Mary Edwards as Secretary and Roger Ewald as Treasurer. The Club didn't get into full swing until October when they sponsored a bake sale and a T.G.I.T. Halloween party. At the Halloween party there was a pumpkin carving contest and a wet sponge toss. Four members were sent to the State C.E.C. convention in Green Bay in October. November was spent organizing a trip to Central Colony and finding volunteers to help out at the St. Francis Center's phy. ed. program Wednesday nights and Saturday mornings. There was a good turnout for both programs.

Second semester included plans for attending the Special Education Conference in Oshkosh sponsored by U. W. Oshkosh; and plans to go to the National Convention in New York City April 12-17. A bake sale and a Special Education Week during March kept the club busy for the second semester.

1. This was the first year for the Organization Afro-American Unity or O.A.A.U. at Cardinal Stritch College. Joan Jennings, the president of the organization, said the purpose of the O.A.A.U. is to bring about a better understanding between all cultural groups at Stritch. Officers of the club include Emile Banks as Vice President and Zamerian Hays as both Secretary and Treasurer.

2.

One of the main projects for the group this year was organizing the month of February as Black History Month. Events like filmstrip presentations of the history of the Black man in America, a fashion show, a library exhibit, and an appearance by the North Division Choir and Nefetari dancers were scheduled throughout the month.

Mrs. Barbara Pierce Bush, wife of the Vice President of the United States, was born in Rye, New York, and attended Ashley Hall and Smith College. She was married to George Bush in 1945 and is the devoted mother of six children. Because of her husband's varied career in business and public service over the years, Barbara has maintained the family's home in 28 different houses in 17 cities — ranging from Houston to Peking to the Nation's Capital.

Mrs. Bush's own record of volunteer activities is extensive. Her past and present Board memberships include: The *National Reading Is Fundamental Program*; Children's Oncology Services of Metropolitan Washington, D.C.; The Washington (D.C.) Home; National Committee on U.S. China Relations; St. Joseph's Hospital Women's Public Relations Council and Riverside General Hospital Foundation, Houston; and the Houston Ballet Foundation.

In addition, she is President of The Ladies of the Senate and a member of the American Cancer Society, Garden Club of America, Women's Committee of the Smithsonian Associates, International Club II, Women's Republican Club of New York City, Magic Circle Republican Women's Club of Houston, and Republican Women's Federal Forum, Washington, D.C.

Because of her exemplary contributions as an admirable woman, wife, and mother — active civic volunteer — and articulate champion of "better learning for all Americans," Mrs. Barbara Pierce Bush is most deserving of the honorary degree, Doctor of Laws, *honoris causa*.

WHO DUNNIT?!

Sr. Canise Kolbeck did it and continues to do it. Sr. Canise has been at Cardinal Stritch College for 13 years. During this time, she has built up the Stenopool, takes care of Campus security, and car pools for the college and the Sisters. She also is in charge of the key and lock system of CSC, coordinates the campus facility reservation system, and is an ardent supporter of the campus activities, especially the Red Devils basketball team. Sr. Canise is also active in community service for Milwaukee by singing with the Bell Canto Choir. Many of us at Cardinal Stritch appreciate her helpfulness and concern in good times and bad. She has helped many a time with "important projects" for printing — everything from Christmas cards and announcements to exams and documents. It is for these reasons and many more that the Chronicle yearbook staff of 1980-81 has dedicated this book to Sr. Canise Kolbeck.
